

**Dylan
is a graphic
desginer working
for Amazon.
He makes
\$40,000 a
year and is 33
years old.
He does Lego
stuff on the**

**side and is interested in buildinghis own
models but is on a budget.
His goals include wanting to expand
his Lego collection and gaining more
knowledge on building techniques
and stratagies.
His main challenge is that he's not made
of money and has a \$500 budget.**
